

Less than **275** days until the big event!

Pickleball Canada  
National Championship  
Aug 10-15<sup>th</sup> 2021  
Motorworks Field, Red Deer

The local planning committee continues to meet and make plans for hosting the biggest pickleball event of the year!

Thank you to those who came forward for the many lead roles. We are now putting the finishing touches to our website that will welcome applications for the many general volunteer positions available. The website is expected to be ready in early 2021!

We will need approximately 250 volunteers to make this event a great success. For more information about volunteering please contact us at our new email address:
