

## **Supporting non RDPC Events**

On occasion we get requests to support or donate to causes or events. In order to have a consistent approach the following will be our guideline for such requests.

The RDPC will not actively support, promote or lend the Club's name to causes not related to the sport of pickleball.

RDPC may actively support or promote not-for-profit individual or corporate pickleball causes or events outside the Club, provided they do not have a negative impact on our Club.
